

HAMPTON BAYS

Union Free School District

Middle School: 70 Ponquogue Avenue, Hampton Bays, NY 11946 • Tel: (631) 723-4700 • Fax: (631) 723-4900

Attention Parents and Guardians:

Please pay attention to the following information with regards to changes in traffic patterns for morning arrival at the Middle School.

Starting Monday, October 22nd, private vehicles will loop through the Front Traffic Loop in front of the Middle School for morning drop-off. This will be done in groups of 15 vehicles per drop.

Parents please pull all the way up in the loop to the stop sign located at the end of the loop.

Several school officials in Yellow Jackets will be on hand the first few days until it becomes easier for all.

Parents please do not drop your child off in the front parking lot.

Buses will be looping around the back of the building where there is more room for them to make safer turns. We trust that these changes will expedite arrivals for everyone and that the traffic congestion on Ponquogue Avenue will be lessened as a result.

At this time there are no changes to the afternoon pick up procedures.

Please be patient the first few days until everyone is comfortable with these changes.

Respectfully,
John P. Moran
Director of Safety
Hampton Bays School District
