October 19, 2021

Dear Parents/Guardians:

Our annual Costume Parade is scheduled for Friday, October 29, 2021 at 2:15 p.m. weather permitting. Our Kindergarten through second grade students will walk around the bus loop as the students in grades three and four watch from the sidelines. **This year, we invite third and fourth graders to dress in costume as they watch the parade.** Please have your child carry their costumes to school, as they will be able to change prior to the parade.

The parade should last approximately 15 – 20 minutes. For safety reasons, we ask that parents do not wear a costume to the parade. **To keep dismissal safe and manageable after the parade, parents will be asked to sign their child out in the designated grade level area. Please have picture identification with you.**

All our students will celebrate this special time of the year with the PTA-sponsored Harvest Trail Walk. In addition, the pumpkin patch is coming to Hampton Bays Elementary School. We would like to thank The Southampton Town Superior Officers Association and Dan Schmidt of Schmidt Brothers Market who have donated pumpkins to our school. Every student will receive a pumpkin.

While the Costume Parade is a very exciting time for our students, we have to make their safety our number one priority. Please indicate below how your child will be dismissed after the parade and return to your child’s teacher as soon as possible. Thank you in advance for your understanding, cooperation and support.

Sincerely,

Marc M. Meyer
