

The K-Kids are raising money for Camp Flying Point and Autism Awareness.

Camp Flying Point is located in Southampton. The camp's mission is to provide a fun and supportive environment, in which children with Autism will learn social and communication skills, alongside their typically developing peers.

We will be selling puzzle pieces for \$1 each. The puzzle pieces will be decorated by YOU and will be hung with your name on it, in front of the main office.

With the purchase of a puzzle piece you will be given an Autism Pin.

The puzzle pieces will be sold starting Monday February 14th through Friday February 18th.

The K-Kids thank you for your continued support!
