

PAGE TO STAGE CLUB AT HAMPTON BAYS ELEMENTARY

Join us for PAGE TO STAGE, a weekly Performing Arts Club that will help build confidence, enhance public speaking, boost creativity and have a ton of fun! Students in grades 3 and 4 can join us on Thursdays after school until 5:00 p.m.

Participants will have the opportunity to learn different genres of dance, play theatre games, and train vocal skills in this imaginative after school club! A snack will be provided as well. Club will meet for 5 remaining sessions; there will be no Page to Stage Club on November 28th and December 5th.

We also recommend that students wear comfortable shoes to move in and bring a refillable water bottle. **Students can still join us mid-semester for a prorated registration fee or drop in anytime.**
